# About us

## WELCOME to HRS ROOFING SOLUTIONS (PTY) LTD

Our mission is innovative and focuses on individual client needs. We are focused on our goal to be the roof sheeting supplier and roofing contractor of choice.

With regards to supplying the market with roof sheeting, we're a proud distributor of **Youngman Roofing and Sheet Metal Works**. We supply the commercial, industrial and domestic markets with all types of steel and polycarbonate roof sheeting products from their state of the art Manufacturing and Distribution Centre in Berkley Road, Maitland, Cape Town, Western Cape.

**Our Customer Focused Strategy** allows us to provide our clients with quality roofing materials coupled with competitive pricing, convenience & excellent service.

Our business strategy focuses on convenience, electronic purchasing and most importantly after sales service.

**As a value add**, our core business includes the complete project management and building processes for the development of various roofing structures catering for the domestic, agricultural & industrial market.

The *WIN* for our clients are that we're able to complete your entire roofing project from the supply and fitment of timber trusses to the supply and fitment of the roof covering. Most importantly, we abide by construction regulation A19 and can assist you with a roof completion certificate at the end of your project. The A19 roof completion certificate is required by the City of Cape Town

# Our Policies

## In General Contracting

Our company has carried out several Contracts in the Public & Private Sectors. HRS Roofing Solutions has an excellent understanding of the Construction and Roofing Industry which is proven in the projects that we've delivered.

## Safety Policy

As Directors of HRS Roofing Solutions Pty Ltd, we acknowledge that we're ultimately accountable for the Company's adherence to Health and Safety Legislation. The Company is committed to ensuring, so far as is reasonably practicable, the workplace health and safety of our employees, sub-contractors, customers, visitors at our place of work and any other person that may be affected by the day to day work activities of our Company. We believe that accidents are preventable and will take all reasonable steps to ensure accident prevention in our workplace.

## Quality Policy

It is our company policy to provide high quality, well designed building solutions through a professional approach to the construction process with special emphasis given to management of costs, scheduling, attention to detail and flexibility in analysing and resolving complex problems.

## Environmental Policy

HRS Roofing Solutions is committed to minimizing Construction waste and pollution. The responsibility for implementing environmental procedures rests with the company's management & staff. The company sees that environmental awareness is paramount in the construction industry.
